

Instructions for Using Lane Library's Electronic Reserves (ERES) System

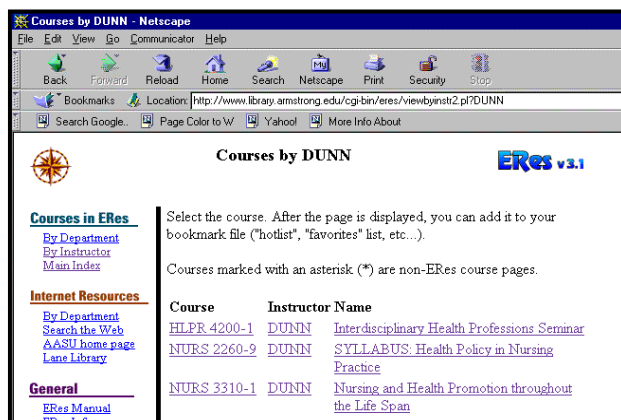

1. Point your web browser to the Library's home page at <http://library.armstrong.edu>

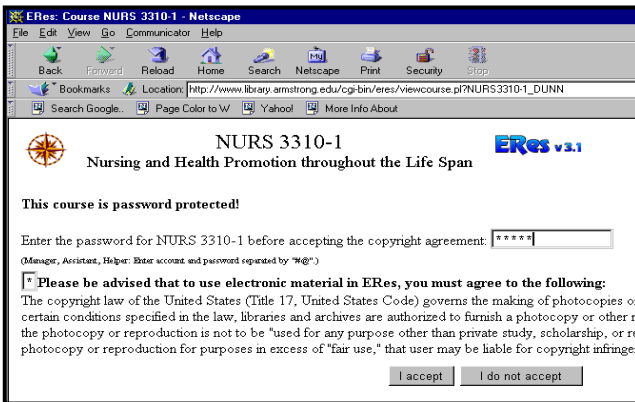

2. On the Library's home page, click the link for "**Reserves**" as shown above
3. Click the link for "**Electronic Reserves**"
4. On the next screen, click on the link for "Course Reserves"
5. Click on "**List courses by instructor's last name**"

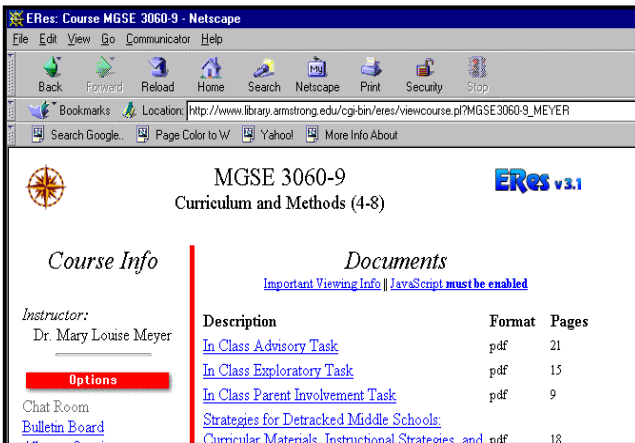

6. Click on your instructor's name
7. Choose your course from the list of courses that your instructor teaches

- If a Password is required to view your course material, enter it and click "I accept." Note: the Password is case sensitive.

- You will see a list of documents that your instructor has made available. Click on the document you want to view or print.

- A PDF document or link to library-subscribed database articles or web documents will open. ***For library databases, you will be asked to authenticate by entering your PORT username & password when off campus.***
